

## Chinese Language – Elementary II

### Overview

This course is designed for students who already have basic knowledge of the Mandarin Chinese language and looking to further his/her knowledge in Chinese business conversation. It covers commonly used vocabulary words and students are expected to master common writing words (Chinese Character: Han Zi). The course covers daily corporate interactions and business-related social exchanges. Topics include family, work environment, making appointments, social events, and farewells. All classes emphasize business communication: negotiating, socializing, establishing and maintaining good relationships. Beyond language acquisition, each lesson provides students with extensive cultural points to help navigate cultural differences in business and daily life.
